Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Martinique Mining Corporation, Gold Queen/Million Dollar Gulch Mine, S/017/0035, Garfield County, Utah

Dear Mr. Vaughan:

The Division of Oil, Gas and Mining finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. Enclosed please find a copy of the amendment stamped complete.

By letters dated May 22 and September 15, 2014, the Division required that the surety amount be increased. The September 15, 2014, letter was returned as undeliverable and has been re-sent. This letter requires that the surety amount be increased no later than 30 days after receipt of the letter.

The Division understands from the Bureau of Land Management that Martinique Mining is considering reclaiming the site and applying for release of a portion of the surety. Please notify the Division as soon as possible if this is your intention. The Division is willing to forego the surety increase if reclamation is completed in 2014 and may be able to release a portion of the surety.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns regarding this letter.

Sincerely,

Paul B. Baker
Minerals Program Manager
